The Leading Edge Alliance is an international professional association of independently-owned accounting and consulting firms. The Alliance enables member firms to access the resources of a multibillion dollar global professional services organization, providing business development, professional training and education, and peer-to-peer networking opportunities nationally and globally, around the corner and around the world.

Members are top quality firms who are very successful, have deep client relationships, and strong ties to the community. The Alliance provides members with an unbeatable combination: the comprehensive size and scope of a large multinational company while offering their clients the continuity, consistency and quality service of a local firm. Member firms have access to the best and brightest teams of business advisors – a peer-to-peer connection that provides the right business solutions for clients.

The Members of the Alliance are leaders in many key markets, including:
